

## UNA GRANDE SQUADRA

Dal 1958 Annovi Reverberi è una azienda moderna, flessibile e in costante espansione.

Oggi il gruppo Annovi Reverberi è un'importante realtà produttiva e commerciale. La sua forza è nel suo DNA. In un "saper fare" che affonda le radici nella tradizione e nell'esperienza personale del suo fondatore, nella vivacità del distretto produttivo italiano in cui è nata e si è sviluppata, nelle persone di talento che vi lavorano, nella pluralità ed eccellenza delle competenze professionali sempre coinvolte.

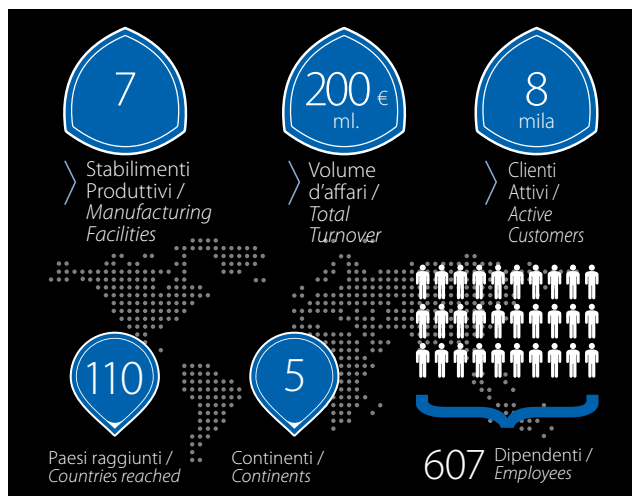

Una forza crescente basata sull'innovazione permanente, sulla costante ricerca delle soluzioni più efficienti, sulla capacità di rispondere e anticipare le esigenze dei clienti e di accogliere le sfide del mercato.

## A WINNING TEAM

Since 1958 Annovi Reverberi is flexible and constantly growing business.

Annovi Reverberi today stands tall as a major manufacturing group and market presence. The organisation's strength is encoded in its DNA. It comes from the founding partner's skills and personal experience, the dynamic nature of the ITALYn manufacturing district that provided the perfect terrain for the company's inception and subsequent development, an exceptionally talented and dedicated workforce, and the plurality and excellence of the interrelated professional competences involved.

The organisation's remarkable vigour is underpinned by the concept of permanent innovation, relentless research to identify ever more efficient solutions, and the ability to meet and anticipate customer demands and accept the market challenges.
